

CAROLINA 440
UHF Link System
www.carolina440.net

12 Repeaters are on the [K4JDR-KD4RAA Repeater Groups Raleigh System](#) full time with 8,500 square miles of mobile coverage. In addition to the local repeaters coverage, [IRLP Node 4270](#) is connected full time to our Raleigh IRLP [Reflector 921 Channel 0](#) to link NC, SC and Va repeaters via VoIP. [EchoLink# 42704](#) is also on the system for additional linking abilities with local and other Repeaters in the United States. Entering touch tone® 4 1 1 over UHF Link System will give access info.
